Dear Grinnell:

I would like very much to join with you, Dr. Nadler, and selected entrepreneurs for a discussion of the relative economic prospects of Russia and this country.

As far as dates are concerned, I am willing to hold the 13th and 15th open for the next few weeks so as to give you a little more flexibility in lining up the other people you would like to have.

We missed you and Connie very much at Tremblant but gathered you had gotten superior skiing at Stowe. Looking forward to seeing you next month.

Sincerely,

STATINTL
